

EXHIBIT A

RULES AND REGULATIONS OF SUPERIOR INK CONDOMINIUM

1. The entrances, passages, public halls, elevators, vestibules, corridors and stairways of or appurtenant to the Building shall not be obstructed or used for any purpose by Unit Owners and their invitees other than the respective purposes for which they were intended. There shall be no blocking of entranceways, passageways or vestibules, and no waiting or loitering in the lobby and no double parking of limousines, trucks or cars in the front of the Building.

2. No article (including, but not limited to, garbage cans, bottles or mats) shall be placed in any of the passages, public halls, vestibules, corridors, stairways or fire landings of the Building nor shall any fire exit thereof be obstructed in any manner. Nothing shall be hung or shaken from any doors, windows or roofs or placed upon the window sills of any Units of the Building.

3. Neither occupants nor their guests shall play in the entrances, passages, public halls, lobbies, elevators, vestibules, corridors, fire landings of or serving the Building.

4. No public hall or public elevator vestibule of the Building shall be decorated or furnished by any Unit Owner in any manner, except as otherwise expressly provided in the By-Laws.

5. Each Unit Owner shall keep his or her Unit (and any Residential Limited Common Element appurtenant thereto) in a good state of preservation and cleanliness, and shall not sweep or throw or permit to be swept or thrown therefrom, or from the doors or windows thereof, any dirt or other substance.

6. No window guards or other window decorations shall be used in or about any Unit, unless otherwise required by applicable Legal Requirements and as approved by the Board. However, each Residential Unit Owner shall notify the Managing Agent in writing when a child or children under the age of eleven years lives or resides (even temporarily) in the Unit. Each such Residential Unit Owner shall install, at such Unit Owner's expense, the required window guards in all windows of the Residential Unit. The Residential Unit Owner shall maintain all window guards installed in the Unit and shall not remove the same until permitted by applicable Legal Requirements and in any event, without full knowledge of the Managing Agent.

7. No radio, television or other aerial, satellite dish, disk or similar device shall be attached to or hung from the exterior of the Building and no sign, notice, advertisement or illumination shall be inscribed or exposed on or at any window or other part of any Unit or anywhere in or on the Building, except such as are permitted pursuant to the Declaration or the By-Laws or shall have been approved in writing by the Board or the Managing Agent; nor shall anything be projected from any window of any Unit.

8. No heat, ventilator or air conditioning device shall be installed in any Residential Unit without the prior written approval of the Board; and no “window” air-conditioners of any kind shall be permitted.

9. All radio, television or other electrical or electronic equipment of any kind installed or used in any Unit shall comply with all rules, regulations, requirements and recommendations of the New York Board of Fire Underwriters and governmental or public authorities having jurisdiction, and the Unit Owner alone shall be liable for any damage or injury caused by any radio, television or other electrical or electronic equipment in such Unit Owner’s Unit.

10. No mopeds, motorcycles, bicycles, scooters or similar vehicles shall be taken into or from the Building through the main Building entrance or be allowed in the lobby or in the passenger elevator, and no baby carriages or any of the above-mentioned vehicles shall be allowed to stand in the public halls, vestibules, corridors or other public areas of the Building. The service entrance is the only means by which bicycles should be transported in and out of the Building. Unit Owners or occupants of a Unit (including children) will be subject to a fine of \$50 per person each time that they or their guests are found in the lobby with a bicycle, scooter or tricycle or wearing rollerblades.

11. No Unit Owner shall make or permit any disturbing or objectionable noises, odors or activity in the Building, or do or permit anything to be done therein, which will interfere with the rights, comforts or conveniences of other Unit Owners or their tenants or occupants. No Unit Owner shall play upon or suffer to be played upon any musical instrument, or operate or permit to be operated a phonograph, stereo system, or radio or television set or other loudspeaker in such Unit Owner’s Unit between midnight and the following 7:00 A.M., if the same shall disturb or annoy other occupants of the Building, and in no event shall practice or suffer to be practiced either vocal or instrumental music between the hours of 10:00 P.M. and the following 9:00 A.M. No construction or repair work or other installation involving noise shall be conducted in any Unit except on weekdays (not including legal holidays) and only between the hours of 8:00 A.M. and 4:00 P.M., unless such construction or repair work is necessitated by an emergency or is being performed by or on behalf of the owner of any Unsold Units, by Sponsor or its designee, or by the Commercial Unit Owner (after obtaining the consent of Sponsor or the Board as applicable).

12. No pets other than dogs, caged birds, cats and fish (which do not cause a nuisance, health hazard or unsanitary condition) shall be permitted, kept or harbored in a Unit unless the Board or the Managing Agent in each instance has expressly consented in writing. Such consent, if given, shall be revocable by the Board or Managing Agent in their sole discretion, at any time, with or without cause. Notwithstanding the foregoing, a Residential Unit Owner may keep as pets in his or her Unit not more than two domestic dogs, domestic cats, caged birds and fish, provided that such pets do not constitute a health hazard, unsanitary condition or nuisance to any other Unit Owner, tenant or occupant. Any pet constituting a nuisance shall be permanently removed from the Building within one week after notice from the Managing Agent. In no event shall a pet be permitted in any Unit without the prior written consent of the Board (which may be granted or denied in the sole discretion of the Board), nor shall any bird, reptile, or animal be permitted in any public elevator in the Building, other than

the elevators designated by the Board or the Managing Agent of the Building for that purpose, or in any of the public portions of the Building, unless carried or on a leash. Any Unit Owner in the public portions of the Building with an animal that is unleashed and not carried shall be fined \$50. No pigeons or other birds or animals shall be fed from the window sills or other public portions of the Building or on the sidewalk or street adjacent to the Building. Each Unit Owner who keeps (or permits to be kept) any type of pet in such Unit Owner's Unit may be required to enter into an agreement with the Board, which agreement may set forth such other rules regarding pets as the Board shall deem suitable and require the Unit Owner to indemnify, defend and hold harmless the Building, the Board, all Unit Owners and the Managing Agent of the Building from all claims and expenses resulting from the acts or presence of such pet.

13. Service personnel, messengers and tradespeople visiting or residing in the Building may be required to use the service elevator for ingress and egress, and shall not use the main passenger elevator for any purpose, except that nurses in the employ of Unit Owners or their guests or tenants may use the main passengers elevator when accompanying the Unit Owner, guest or tenant.

14. All service and delivery persons will be required to use the service entrances to the Building. All packages, including, without limitation, those containing perishable items, delivered to Units by outside personnel must be delivered to the area therefor designated by the Board or the Managing Agent. Deliveries will be made from such area to individual Units only by Building personnel as otherwise directed by Building personnel. Such deliveries will be made only at such times as a Unit is occupied by the resident thereof or an authorized person and said resident or authorized person is willing to accept delivery. If the Unit is not occupied or delivery is declined, the package will be held in the designated area until the resident or authorized person returns or requests delivery, except in the case of perishable items which will be held in the designated area for no longer than 24 hours. After said 24-hour period, the perishable item shall be disposed of by Building personnel. Building personnel will not be responsible for packages held in the package room for more than 72 hours. No large deliveries will be accepted for a Unit Owner (or occupant of a Unit) unless such Unit Owner (or occupant) has made prior arrangements with the Building staff.

15. Trunks and heavy baggage shall be taken in or out of the Building by the service elevator, and through the service entrance only.

16. No refuse shall be removed from the Units except at such times and in such manner as the Board or the Managing Agent may direct.

17. Water-closets and other water apparatus in the Building shall not be used for any purpose other than those for which they were designed, nor shall any sweepings, rubbish, rags or any other article be thrown into the same. Any damage resulting from misuse of any water-closets or other apparatus in a Unit shall be repaired and paid for by the Owner of such Unit.

18. No occupant of the Building shall send any employee of the Building or of the Managing Agent out of the Building on any private business.

19. The agents of the Board or the Managing Agent, and any contractor or worker authorized by the Board or the Managing Agent and accompanied by an agent of the Board or the Managing Agent, may enter any room or Unit at any reasonable hour of the day, on at least one day's prior notice to the Unit Owner, for the purpose of inspecting such Unit for the presence of any vermin, insects or other pests and for the purpose of taking such measures as may be necessary to control or exterminate any such vermin, insects or other pests; however, such entry, inspection and extermination shall be done in a reasonable manner so as not to unreasonably interfere with the use of such Unit for its permitted purposes.

20. Corridor doors shall be kept closed at all times except when in actual use for ingress or egress to and from public corridors.

21. The Board or the Managing Agent shall retain a pass-key to each Unit. If any lock is altered or a new lock is installed, the Board or the Managing Agent shall be provided with a key thereto immediately upon such alteration or installation. If the Unit Owner is not personally present to open and permit an entry to his or her Unit at any time when an entry therein is necessary or permissible under these Rules and Regulations or under the By-Laws or Declaration, and the Unit Owner has not furnished a key to the Board or the Managing Agent, then the Board or the Managing Agent or their agents (but, except in an emergency, only when specifically authorized by an officer of the Board or an officer of the Managing Agent) may forcibly enter such Unit without liability for damages or trespass by reason thereof (provided that during such entry reasonable care is given to the Unit Owner's property).

22. Complaints regarding Building services shall be made in writing to the Board or to the Managing Agent.

23. No Unit Owner or any of his or her agents, servants, employees, licensees or visitors shall at any time bring into or keep in such Unit Owner's Unit any inflammable, combustible or explosive fluid, material, chemical or substance.

24. If any key or keys are given or lent by a Unit Owner or by any member of his or her family or by his or her agent, servant, employee, licensee or visitor to an employee of the Condominium or of the Managing Agent, whether for such Unit Owner's Unit, automobile, trunk or other item of personal property, the use of the key shall be at the sole risk of such Unit Owner, and neither the Board nor the Managing Agent shall be liable for injury, loss or damage of any nature whatsoever, directly or indirectly resulting therefrom or connected therewith.

25. Nothing shall be done or kept in any Unit which would increase the rate of insurance of the Building or contents thereof, without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in his or her Unit which will result in the cancellation of insurance on the Building or which would be in violation of any law. No waste shall be committed in the Common Elements.

26. Unit Owners shall comply with the laws, ordinances, rules and regulations of the City of New York or any other applicable governmental authority with respect to recycling of waste and refuse, including, without limitation, the separation of trash into "recyclable" and "non-recyclable" materials and/or categories of each of same. The Board may designate from

time to time the types of materials which must be separated for recycling, the types of containers or binding to be used by the Unit Owners for the disposal of designated recyclable materials and the locations where designated recyclable materials shall be deposited. The Board may also establish other rules and regulations regarding the recycling and disposal of trash. Any costs incurred by the Board to enforce the rules and regulations of the Board or the requirements of applicable law regarding the recycling of trash against a Unit Owner, including, without limitation, legal fees, fines and penalties imposed by any government agency, shall be payable by the Unit Owner as additional Common Charges. Unit Owners will comply with the following procedures with respect to the disposal of refuse: (a) wrap dust, flour and powdered waste before depositing the same; (b) thoroughly drain and wrap in paper all garbage before depositing the same; (c) refrain from forcing large bundles into the designated refuse area; (d) crush into tight bundles all loose papers before placing the same in the designated refuse area; (e) deposit all bundles of waste into the hopper; and (f) refrain from depositing waste of an explosive or otherwise hazardous nature therein. Any refuse not disposable by depositing same in the designated refuse area must be picked up directly from the Unit by Building personnel at such times and in such manner as the Board or the Managing Agent shall determine.

27. Unit Owners will comply with the laws, ordinances, rules and regulations of the City of New York or any other applicable governmental authority, including without limitation, those with respect to window guards and notices of emergency access and egress.

28. Except as otherwise expressly provided in the Bylaws and the Declaration, Unit Owners, their families, guests, service personnel, employees, agents, visitors or licensees shall not at any time or for any reason whatsoever enter upon or attempt to enter upon the roof of the Building.

29. The Board shall have the right from time to time to relocate any portion of the Common Elements used by the Building for storage or service purposes.

30. All firearms are banned from the Building. No Unit Owners, their families, guests, service personnel, employees, agents, visitors or licensees shall at any time have or harbor firearms while in the Building, except as approved by the Board.

31. No Unit Owner, tenant or occupant of a Unit shall conduct any group tour, exhibition or open house of any Unit or its contents or any auction sale in any Unit, without the prior consent of the Board or the Managing Agent.

32. In the event that any Residential Unit is used for home occupation purposes or other purposes which are permitted by law or court order, in no event shall any patients, clients or other invitees be permitted to wait in any lobby, public hallway or vestibule.

33. Any consent or approval given under these Rules and Regulations may be granted, refused, added to, amended or repealed, in the sole discretion of the Board, at any time by resolution of the Board. Further, any such consent or approval may, in the discretion of the Board or the Managing Agent, be conditional in nature.

34. The Board reserves the right to rescind, alter, waive or add, as to one or more or all occupants, any rule or regulation at any time prescribed for the Building when, in the

judgment of the Board, the Board deems it necessary or desirable for the reputation, safety, character, security, care, appearance or interests of the Condominium, the Building or the preservation of good order therein, or the operation or maintenance of the Condominium, the Building or the equipment thereof, or the comfort of Unit Owners, occupants or others in the Building. No rescission, alteration, waiver or addition of any rule or regulation in respect of one Unit Owner or other occupant shall operate as a rescission, alteration, waiver or addition in respect of any other Unit Owner or other occupant.

35. Notwithstanding any references to “Unit Owner” in these Rules and Regulations, the Rules and Regulations of the Condominium shall be binding upon all tenants, guests and other occupants of the Condominium. Unit Owners shall be responsible for enforcing compliance with, and liable for any violation of, the Rules and Regulations by members of their families, guests, invitees, tenants, employees, agents, visitors and any other occupants of their Units.

36. With respect to any Unit to which there is a Terrace and/or Balcony appurtenant, the following additional rules and regulations shall apply: All furniture must be “patio/terrace” furniture which is rust-proof; any planting/landscaping must comply with all Legal Requirements. Plants may not exceed the total weight allowance of 100 pounds and must be planted in water-proof containers so as not to cause water leakage. Any damage caused by the Unit Owner’s negligence shall be at such Unit Owner’s sole cost and expense. All Terraces, and Balconies must be kept clean and free from snow, ice, leaves and debris and all screens and drains must be kept in good repair. The Unit Owner shall not remove any of the above items by putting them over the Terrace walls, or the Balcony railing, but shall remove said items either through the apartment or through drainage where appropriate. No hanging of any items, including but not limited to banners, laundry, decorations, etc., from any Terrace or Balcony wall, structure, railing or other temporary or permanent structure is permitted. No items, including but not limited to climbing equipment, bikes, pools, children’s toys, etc., may be stored on any Terrace or Balcony; any appropriate furniture including tables, chair cushions and umbrellas may be left on the Terraces and/or Balconies only if properly secured. No items can be placed on the Terrace parapet wall and/or Balcony railing. In no event shall any Unit Owner be permitted to enclose any Terrace or Balcony (except to the extent that such Terrace was enclosed by Sponsor) or erect any structure on any Terrace or Balcony. No portion of any Terrace Balcony may be painted, cemented or changed in any fashion from its original appearance. No carpeting may be placed on any Terrace or Balcony. Lighting fixtures may only be plugged into regulation sockets. No satellite dishes may be placed on any Terrace or Balcony. No animals, which include but are not limited to dogs, cats, birds, are allowed on any Terrace or Balcony.

37. With respect to Townhouse Units to which there is a Garden appurtenant, the following additional rules and regulations shall apply: Any damage caused by the Unit Owner’s negligence shall be at such Unit Owner’s sole cost and expense. All drains in the Gardens must be kept in good repair. The Unit Owner shall not dispose of or otherwise remove items from their Garden or Unit by putting them over the Garden wall, but shall remove said items either through the apartment or other dedicated entrance, or through drainage where appropriate. No hanging of any items, including but not limited to banners, laundry, decorations, etc., over any Garden wall, structure, railing or other temporary or permanent structure is permitted, except

where same is not visible from any other Unit. No items can be placed on the Garden wall and/or railing. In no event shall any Unit Owner be permitted to enclose any Garden (except to the extent that such Garden was enclosed by Sponsor) or erect any structure on any Garden which is visible from any other Unit. No portion of the exterior or top of any Garden wall may be painted, cemented or changed in any fashion from its original appearance. Lighting fixtures may only be plugged into regulation sockets. No satellite dishes may be placed on any Garden walls which are visible from any other Unit.

38. There will be no barbecuing in the Units or in the Common Elements (including, without limitation, the Residential Limited Common Elements).

39. With respect to any lease (and lease renewal) which, pursuant to the Bylaws, is subject to the Board's review and right of first refusal, the fee for any such lease (or renewal of a lease) is \$300, payable to the Managing Agent. Any such Unit Owner that has entered into or renewed a lease with a tenant and has not submitted the lease (or lease renewal) to the Managing Agent will have 30 days from the date notified by the Managing Agent to submit the lease or the renewal. In the event that any such Unit Owner does not submit such lease or lease renewal to the Board within such 30 day period, such Unit Owner shall be subject to a \$500 fine and further action by the Board.

40. Each Townhouse Unit Owner shall be responsible for maintaining in a neat and orderly manner, and for removing all dirt, snow, ice and other debris from, the area in front of such Owner's Townhouse Unit, which area shall include all stairs and stair landings, at such Townhouse Unit Owner's sole cost and expense. Such area shall include the entire width of the Townhouse Unit from the edge of the Townhouse Unit's exterior wall to the point where the bottom step of the exterior stair meets the sidewalk. Should any Townhouse Unit Owner fail to so maintain such area in front of such Owner's Townhouse Unit, the Condominium Board may elect to do so at such Townhouse Unit Owner's sole cost and expense.

41. Smoking is permitted in individual Superior Ink Residential Units. However, Unit Owners and their guests shall not permit cigarette, e-cigarette, cigar or pipe smoke to escape from a Residential Unit or enter any other Residential Unit or the Common Elements. Unit Owners, their guests and tenants shall not smoke in their Residential Units if they are unable to prevent the smoke from entering the Common Elements or another Residential Unit. Smoking is prohibited in all interior and exterior common areas. The Board shall have the right to seek and obtain a court order enjoining the occupant of a Residential Unit from smoking in the Residential Unit if the smoke escapes the Residential Unit, and the Board shall have the right to seek the eviction of a tenant who violates the foregoing. In addition to all other remedies available to the Board, violation of this policy by any occupant of a Residential Unit shall subject the Unit Owner to (i) a fine in an amount to be determined from time to time by the Board, and (ii) reimbursement of any fees or expenses incurred by the Board to cause the smoke infiltration into the Common Elements or another Residential Unit to cease (including legal fees) in enforcing this provision.
